## OUR SERVICES

### OUTDOOR ADVERTISING

---

From letters and light boxes to pylons, single or double, wall mounted or free standing. We manufacture light ads (single letters or lightboxes) with neon or LED lighting, depending on the needs and requirements of your project. We also produce door plates of various types, styles and materials.

### INDOOR ADVERTISING

---

We design, manufacture and install wide range of indoor advertising . From exhibition stands of any size & area to unconventional indoor design solutions.

### WIDE FORMAT PRINTING

---

We offer a wide range of large-format digital printing services. Promotional materials of various formats – large-format stands, banners, posters, window and floor stickers, car stickers and photo walls can be produced. Printing on solid materials for signs and stands is available too. In production, we use a wide assortment of materials, also suitable for long-term projects.
